

Lagniappe Montessori & Children's Center

Admission Process and Checklist

1. Parents should read about Montessori philosophies to decide if it matches their parenting style and if it is a good choice for their child.
2. Parents should fill out the **Application for Admission**, the **Master Card**, and **All About Me** and return it to the center.
3. Once we have reviewed your application, we will send you a letter advising you of your child's enrollment status. If all spots are filled, we will place your child on the waiting list.
4. If you receive an acceptance letter, you will need to bring a copy of your child's birth certificate and immunization record to the center. You will be advised of the due date for the registration fee at that time. Please note that you must remit the registration fee on time to secure your child's place at Lagniappe Montessori & Children's Center.
5. A school calendar will be available soon.
6. Our website is in the process of being constructed. The website address is www.lagniappemontessori.com. It should be available for viewing by the end of March.
